Fall Silver Ghost Tour

Tom and Loren Colbert and Mark and Carolynne Corigliano are at it again with another shorter Ghost tour planned for this fall. This tour will be based in Cooperstown, NY at the historic Otesaga Resort and Hotel (www.otesaga.com).

Coopertown's most famous attraction is the Baseball Hall of Fame of course, but this neat, scenic town also features a number of other attractions, a top spa, fine dining and shopping.

This tour shall feature some great roads, wonderful attractions, our traditional ice cream stops, a car collection or two and of course...movie night! Tour limited to 25 cars.

Final details and reservations to come in May.
